GREAT BARRIER REEF

AQUA

Perched on a secluded peninsula with panoramic views of the surrounding Coral Sea and Pioneer Bay’s aquamarine waters, is one of Australia’s most astonishing private seaside residences. Occupying a one and a half acre estate in Queensland’s Whitsundays, the aptly named Aqua comprises a palatial main residence with a state-of-the-art kitchen, three living areas, a king suite with ensuite, two queen rooms, a C3 concert grand piano, library and a climate controlled wine cellar. A self-contained one bedroom guest suite is similarly well-appointed. Jet skis, a motorised dingy, kayaks, fishing and waterskiing equipment are all at your service on this private slice of paradise, as is a Mercedes ML320 to explore the nearby Airlie Beach. And to further elevate the experience, available upon request is a Robinson R44 or Eurocopter EC130 helicopter, a Fairline 52 Grand Turismo motor yacht and a Bentley Continental GT. Located a mere 15 minute helicopter ride from Hamilton Island or Whitsunday Coast airports or Wave Airpark, and an equally short drive to the coastal township of Airlie Beach, Aqua truly is a world-class getaway.

HONG KONG
TYCOON TANN RESTAURANT

Fusing the east with the west, this recent addition to Hong Kong’s gastronomic scene offers modernised Chinese classics in a colourfully stylish restaurant decorated with contemporary art. Menu highlights include the baked stuffed crab shell, the charcoal-grilled Hungarian mangalica char siu with honey sauce and their signature sliced Peking duck served with bite-sized pancakes and caviar. Entry is through the restaurant’s equally impressive bar that serves an exciting selection of artistically presented cocktails made with premium traditional Chinese ingredients such as Chinese tea, lemongrass and Moutai. As the only ground-floor eatery and bar in Central’s Wellington Street, this newcomer’s bound to lure in the crowds.
